Context-based Turkish Training

Lesson Materials

For the general of the lessons an up-to-date Turkish student's book and its workbook are used. The related materials will be uploaded as soft copy (PDF) on Google Classroom. Further handouts and printouts will be provided to support the lesson and homework assignment from different books and online sources.

Context-based Turkish Training

Assessment & Feedback

Apart from formative assessments in each lesson, there will be progress tests and quizzes within certain periods to see the developments and if necessary there will be extra lessons for consolidation.

Context-based Turkish Training

Student Agreement

1. Every student is responsible for their learning, therefore one must study regularly and do the assigned homework on time to meet the goals of the course.

Context-based Turkish Training

Student Agreement

2. Lessons take place in 2-hour sessions. Sessions start with a tolerance of +/- 5 minutes on the days and hours specified in the agreement and end on time. In online or face-to-face classes, if the student(s) is absent within 30 minutes, the session is considered to be done and therefore cancelled.

Context-based Turkish Training

Student Agreement

3. The regular attendance of the students is highly advised and only in the event of a serious shortcoming (illness, meeting, ceremonies, etc.), the students are allowed to be absent.

Context-based Turkish Training
